

2. Title: Create a Professional Tuition Catalog using Bootstrap Cards Task: Design a responsive tuition catalog webpage using Bootstrap 5 that meets the following requirements: 1. Use at least three cards to display different tuition courses (e.g., Mathematics, Science, English). 2. Each card must contain: • A course image • Course title in bold with a unique color • Short description • List of details: Teacher name, Duration, and Fee • A "Enroll Now" button with a color theme matching the card title • A badge showing "Best Seller", "New", or "Popular" • A footer with additional info (e.g., "Limited seats available") 3. Cards must be arranged in a responsive grid that shows three cards per row on large screens, two on medium screens, and one on small screens. 4. The design should look professional with spacing, padding, and shadows
